

"I'm praying for you"
by Travis Ray Cole

I'm praying for you
I'm praying for you, but not the way I usually do
I'm praying for you I hope it went well for you
I'm praying for you its not something I ever do
I would ordinarily just want you for mine
no other words would ever cross my mind
I'm praying for you I think I'm doing it right
in this prayer I want you to be ok tonight
I am praying for you
Dear Lord make her safe, later make her mine.
