

THE MORNING STAR

by Joe Medrek

The Messiah of Bethlehem,
from a stable born,
through most humble beginnings,
His birthright shorn.

The Magi knew,
that He was most special,
because of the Star
and where it had settled.

The Messiah of Bethlehem,
from a stable born,
the night on the cross,
as His followers mourned.

Getting back to the HisStory
of the miracle that night,
What's the meaning,
and the message
of the star that shone bright?

From before the beginning
He came from afar,
the Creator of the Universe,
The Bright, Morning Star.

BETHLEHEM

There's a star in the sky,
and it shines in the east,
It's bright and it's beautiful
and something to see.

I'm following that star
though wondering

"Why me?"

In my heart

there's a know

It's the place I must be.

DIVINE PROCLAMATION

The shofar has blown
the assembly convened,
the proclamation went out
from the King of all Kings.

The secret is out
to share of His wisdom,

The order was given
to tell all the Kingdom.
