## Introduction

My name is Bruce Buckner, I have been a believer my whole life of GOD JESUS CHRIST. I was baptized in 1983. I spoke in tongues as GOD poured into my soul and blessed me throughout my life. I am a follower of his works and his deeds. There is so much more that needs to be done on this planet and just getting HIS WORD out there and letting other folks no that there is a GOD means a lot to me. Give it to GOD when your burdens are heavy , Give it to GOD today so that you may have a internal life in GODS Kingdom. They All Said Amen!

## Jesus

Because he is my savior & friend He is the Alpha & Omega The  
beginning and the end. By Bruce Buckner 24/7 He is always there  
when I need him 24/7 He is my friend, when I am down and blu All I  
got to do is get on my knees and pray Just ask for his forgiveness, my  
lord is quick To cleanse me. Praise Jesus, Praise GOD Thanks to you  
lord. I love you Jesus! By Bruce Buckner

## The Truth

I am the seeker of one faith, one GOD. So many denomination who is right? The Person who knows his heart Knows GOD. Amen! By Bruce Buckner

### **The Son-Father-Holy Ghost**

My eyes have turned to the one above. The Son of GOD is who I speak of, he the Lord GOD almighty who I love. I put my trust in him. So come of people of this world. Put Your faith to the test, let Jesus know you are going to do your best! He gave his life so that we may live. That we would be forgiven of our Ungodly sins. So turn eyes to the Son ask for his Forgiveness, for Jesus is the only one. By Bruce Buckner
