WE MUST TRUST IN THE LORD

I'm A Child Of God; Who's Been Sent as A Witness;
By The Power Of God; In All Of His Fitness.
I've Been Chosen To Serve; And Give Words To Recover;
The Words From My Master; I Will Follow No Other.
The Lord Sees His Children, And His Spirit's Descending;
As He Visits Our Earth; In This Hour He's Spending.
The Hours Are Passing, And Great Problems Are Showing;
As We Hear From Our Lord; Very Soon We'll Be Going.

God Has Sent Us To Share; With The Souls Of Our Nation;
To Hear Now The Truth; For The Hope Of Salvation.
We Must Trust In The Lord; In These Times That We're Living,
And Pray For Our Souls; For The Lord Is Forgiving.
Forgive Us Of Sins; As This Hour Is Ending,
And Grant Us New Life; That God's Spirit Is Sending.
You Have Sent Us Your Love, And You Give Us Compassion;
As We're Infilled With Your Truth, And A Heart That You've
Fashioned.
We Are Saved By Your Mercy; Your Love And Your Grace,
And You've Healed Us Inside; As We Look At Your Face.
Lord Jesus We Thank You; As You've Come To Our Nation;
You're The Lord God Of Heaven; That Gives Us Salvation.

GOD HAS SENT ME TO LEARN

God Has Plans In This Hour; I'm Involved As A Student;

He Has Sent Me To Learn; As His Courses Are Prudent.
I'm A Child Of Grace; I'm Attending His College;
As The Lord Has Now Sent Me; And He Has A Full Knowledge
His Love And Compassion; Are The Classes I'm Seeking;
As I Wait For Approval; Now God's Spirit Is Speaking.
I Am Thankful For Knowledge; The Lord Jesus Has Sent Me;
To The Place Of His Classroom; And There's No One To Prevent
Me.
The Studies Are Hard; I'll Attend Graduation;
I'll Be Given His Blessing; As I Practice Salvation..
Lord Please Give Me The Strength; For The Courses I'm Taking;
As I Trust In Your Word; And My Life That You're Making.
I Love You Lord Jesus; I've Been Sent For A Reason;
To Develop A Love; In This Very Late Season.
I Trust You My Lord; All My Life I've Been Waiting,
And You Gave Me New Life; And With No Hesitating.
I Praise You Lord Jesus; As We Wait For Your Spirit;
You Will Come For Your Children And The Nations Shall Hear It.
We Love You Lord Jesus; With Our Hands We Are Raising;
As We Look For Your Coming; Every Day We'll Be Praising.

LORD PLEASE GIVE US OUR STRENGTH

I Am Thankful For Peace, And The Love That You Gave Me;
For The Strength That's Inside Us; On The Day That You Saved Me.
You Chose Me To Write; Unto Those Of This Nation;
The Assurance That's Given; For The Joy Of Salvation.
You Had Me In Mind; For The Work That You Chose Me,
And You've Given Me Words; You're My Lord Who Does Know
Me.
You Have Chosen My Life; I've Been Sent On A Mission;
To The Souls Of This Earth; In An Unsaved Condition.
I Chose You For Service; Unto You I Am Speaking;
As You Speak To Those Hurting; With Their Hearts They're Now
Seeking.
Lord Please Give Us Our Strength; As You Send Us Revival;
To Plan For The People; To Mean More Than Survival.
The Troubles On Earth; Have Led To Destruction;
But The Lord Sends His Word; As Our Means Of Instruction.

Lord Please Send Us Your Peace; In This Hour We're Praying,
As You Give Us Our Needs; In Your Will They'll Be Staying.
You Have Chosen This Hour; To Bring End To Confusion;
As You See This Before You; It Is Not An Illusion.
You've Been Placed On A Course; That Leads You To Action;
As You See My Own Will; And You'll See Their Reaction.
I Have Spoken My Word; In The Midst Of The People;
To The Ones That Are Searching; And Ones Under Their Steeples.
I Love You My Children; Please Send Me Your Praise,
As You Work To Now Please Me; With Both Hands You Shall Raise.

THE LORD SHOWED ME MERCY

The Lord Jesus Came to me; With A Love Beyond Measure;
I Accepted His Kindness, And His Word I Will Treasure.
I Had Spent Many Years; Pretending At Life;

As I Stumbled And Fell, And Consumed With Great Strife.
My Days Had Been Spent; In A Life With Large Questions;
I Was Filled With Confusion; That I Learned In These Sessions.
I Was Searching For Answers; In A Life Filled With Pain,
And I Longed For New Life; There Was So Much To Gain.
I Prayed Unto God; As I Had No Control;
Oh Lord What Can You Do; To Free My Own Soul?
The Lord Showed Me Mercy; For The Sins I Committed;
I Now Asked For Forgiveness; By His Blood Was Acquitted.
Jesus Died On That Cross; And His Blood Was Then Shed;
His Blood Had Flowed Out; And Too Soon He Was Dead.
He Was Then Taken Down; To Be Placed In A Tomb,
And He Gave Heaven's Freedom; Unto Those That Gave Room.
I Asked Him To Save Me; It Was Then I Was Forgiven;
He Came Into My Heart; I'm Now Part Of The Living.
Thank You Lord Jesus; You Have Taken My Sins,
And Have Casted Them Out, And My Life Now Begins.
I'm Now One Of Your Children, And I Offer My Praise;
For The Gift That You Gave Me; Both Hands I Shall Raise

HE KNOCKED AT MY HEART'S DOOR

I Was Raised By One Parent; Who Would Pray And Be Worried;
I Would Live To Adulthood, And Grew Up In One Hurry.
As A Weary Young Man; I Was Seeking Direction;
I Was Loved By A Mother; With No Dad For Affection.
I Came From A Home; When My Parents Collided;
At A Very Young Age; My Own Parents Decided.
To Part From A Marriage, And Our Home Became Broken;
By The Strike Of A Gavel; That A Judge Had Then Spoken.
I Was Searching For Peace, And The Love Of A Father;
But My Dad Shunned His Duties, And Would Simply Not Bother.
I Was Empty Inside, And I Lived Desperation,
And I Trusted No Father, As I Sought For Salvation.
I Had Lived Many Years; Seeking God For Affection,
And One Day As I Sought Him; He Would Give Me Direction
One Day I Was Reading; As I Opened His Word,
And His Light Shined Inside Me; With Small Voice That I Heard.

Our Father In Heaven; Had Sent Me His Son,
And He Found A Young Man; And The Sins That I'd Done.
The Lord Jesus Came To Me; To Find My Heart That Was Broken,
And He Picked Up The Pieces; By His Word That He'd Spoken.
He Knocked At My Door, And I Opened It Wide;
He Looked Into My Eyes; There's No Place I Could Hide.
Lord Jesus I'm Asking; As You Make Preparation;
To Cleanse Me Inside; As You Give Me Salvation.
You Have Given Me Life, And I've Answered Your Call;
I've Become A New Person; Who's Redeemed From The Fall..

YOU'RE THE LORD OF MY LIFE

Please Listen To Jesus, It Is Now He's Addressing;
For The Joy Of His Kingdom; He Now Gives Me His Blessing.

There Once Was A Day; That My Soul Was In Grief,
And He Spoke To My Spirit; As To Change My Belief.
I Was Grasping For Life; In My Lord I Found Favor;
In One Moment He Found Me; I'd Be Loved By My Savior.
Please Jesus Come To Me; As Your Angels Are Singing;
The Praises Of God; That His Spirit Is Bringing.
I Am Seeking Your Presence; As I Search For Your Face;
I Will Praise You Forever; As I Dwell In This Place.
You Came To Me Jesus, And You Showed Me Your Love;
Your Compassion And Mercy; That You Sent From Above.
You Came From Your Throne; From The Father Who Sent You,
And You'll Be With Me Always; No One There To Prevent You.
I Love You Lord Jesus; In Complete Adoration;
You're the Lord Of My Life; The God Of Salvation.
Please Be With Me Lord; For The Times Are Soon Ending;
As You Prepare For Your Entrance; And God's Spirit You're
Sending.
I Thank You Lord Jesus; And Your Praise I Am Giving;
Every Time That I Breathe; In This Time That I'm Living.

HE GAVE US NEW LIVES

The Lord Is Now With Us; He Has Planned Visitation;
To Give Us His Love; And He Gives Us Salvation.
God Showed Us His Mercy; When Our Sins Were Within Us,
And He Gave Us New Lives; With His Love He Did Win Us.
We've Been Sent On A Mission, And The Place Has Been Chosen;
To Live For His Glory, And Our Past Has Been Frozen.
We Praise You Lord Jesus; As We Wait For Revival;
We Will Live For Our Master; Not A Means Of Survival.
We Are Thankful For Love, And Compassion You Gave Us;
And Your Peace And Great Joy, On The Day That You Saved Us.
We Will Live In Your Kingdom; Forever And Ever;
For The Plans That You've Given, And Your Steps We Endeavor.
You Have Given Us Hope; Unto You We Are Trusting;

As You Fulfill Your Own Word; Our Own Hearts Are Adjusting.
You Have Chosen Our Path; In Blind Faith We Are Walking;
As We Follow Your Word; It's God's Spirit Who's Talking.
We Will Follow You Lord; To The Ends Of Our Earth;
As We Walk In Your Footsteps; To The Joy Of New Birth.
You Have Touched Us Inside; As We Wait On Your Spirit,
And We'll Answer In Praise; That All Nations Will Hear It.
We Love You Lord Jesus; As We're Hearing Your Voice;
That You Go To The Sinners; As They Now Have A Choice.
That They've Sinned Against God, And They Ask For Repentance;
To Ask For Forgiveness; That Will Cancel Their Sentence
Lord Jesus Forgive Us; And Please Pardon Our Sins,
As We Follow In Faith; Our Own Life Now Begins.

HE WAS GUILTY OF NOTHING

I Now Speak Of Yeshua; Who's The Jewish Messiah;
He Is Jesus In English; As We Lift His Name Higher.
He Came To Twelve Men; Whom He Loved And Respected;
But To Most Of His People; He Was Alone And Rejected.
He Was Judged By The Leaders; And Sent To A Trial;
He Was Guilty Of Nothing; And They Lived In Denial.
He Was Judged For Some Crimes, And Would Die On A Cross;
To The Hearts Of Most Sinners; It Was Really No Loss.
Yeshua Has Saved Me; From A Life Of Confusion,
And He Healed Me Inside; This Was Not An Illusion.
The Lord Changed My Life, And His Word Has Been Shared,
And The Work I've Been Given; My Lord Has Prepared.
I Will Praise You Forever; As You've Changed My Whole Life;
For You've Brought Me From Darkness, And Ended My Strife.
I Was Once A Lost Sinner;, And My Heart Has Been Changed;
I Am Now A New Person; That God's Spirit Arranged.
I Live For Each Day; As I Tell His Great Story;
About The Lord That Has Saved Me; In All Of His Glory.
Thank You Lord Jesus; My New Heart You Have Given;
I'm Now One Of Your Family; All My Days I'll Be Living.

LORD JESUS PLEASE SAVE US

The Lord Has A Plan; Even Now He's Preparing;
The Words That He Gives Me; Unto Those I'll Be Sharing.
There Are Many Who Hurt; On The Streets Of Each Day,
And They Ask For Their Needs, And Would Seek Him And Pray.
The People Have Burdens; Every Day Of Their Lives;
As They Wonder Alone; Just To Say They Survive.
These People Have Plans, And They Want For Their Freedom,
And They're Lonely And Sad; Praying Someone Will Need Them.
They Want Someone Who Cares, And Will Share With Them Love,
And To Share With Them Peace; Which Comes Down From Above.
They Ask God In Heaven, And Those Prayers Keep Repeating,
As They Pray For Their Lives; With No Hope Of Succeeding.
They Must Come Unto Jesus; With A Heart Of Repentance,

As They Ask For Forgiveness, And To Cancel Their Sentence.
The Lord Will Show Mercy, And Will Show Them Compassion,
And Plant Love Deep Inside Them; With A Heart That He's
Fashioned.
Lord Jesus Please Save Us, And Restore Us To Life,
And Please Cleanse Of Sins, As You Take All Our Strife.
We Praise You For Love, And Compassion You Gave Us;
For New Life You Have Given; On The Day That You Saved Us.

PLEASE COME TO THE CROSS

I Once Was In Prison, And You Gave Me My Freedom;
I Was Lost And You Found Me, And I Know That I Need Him.
I Had Spent All My Life; All My Days I Was Running,
And I'd Go My Own Way; It Was God I Was Shunning.
The Lord Saw My Sadness; Way Down In My Soul,
And I Had No Real Purpose; I Was Out Of Control.

One Day In My Twenties; Jesus Came To My Door;
He Spoke To My Spirit, And I'd Hear Him Much More.
Please Come To The Cross; And Kneel At His Feet
Please Give Him Your Life; So Your Sins Won't Repeat.
The Lord Saw My Pain; My Own Grief And Confusion;
I Needed His Love; This Was Not An Illusion.
I Give Thanks For Your Love, And The Gift Of Compassion;
For The Faith I've Received; And My Heart That You've
Fashioned.

You Gave Me My Purpose; To Share Hope With All People;
To Share Love With Each Person; On The Streets And In Steeples.
I Am Trusting You Lord; You Have Sent Us Your Spirit;
I Will Praise You Forever; With My Voice You Shall Hear It.
Your Coming Is Soon; As We Make Preparation;
You Will Come For Your Children; The Heirs Of Salvation.

YOUR WORD CROSSES BORDERS

I Looked At Your Soul; You Were Lost And I Saved You,
And I Healed You Of Pain; Through The Love That I Gave You.
I Chose You For Service; Unto Man I Have Sent You;
I've Anointed Your Heart; And No Plan Will Prevent You.
You've Been Chosen Of God; By The Love Of Our Savior,
And I've Picked You To Share; As I Saw Your Behavior.
As The Hour Draws Closer; God's Spirit Is Speaking;
To The Souls Of Lost People; It Is Jesus They're Seeking.
I Have Looked At Men's Hearts, And I've Seen Their Depression;
How They Hunger For Love; Other Things I Won't Mention.
Lord Jesus I Pray; That Your Will Be Revealed;
I Will Give Them Your Word; As The People Are Healed.
I Thank You For Love; And For Hearing Your Voice;
I Will Share What You Give Me; I Have Only One Choice.
Your Word Crosses Borders, And It Enters Men's Souls,
And It Fills Their Own Spirits; To Bring Lives In Control.
I Thank You For Peace, And The Heart That You Gave Me,
And For Mercy And Grace; On The Day That You Saved Me.
I Have Now A Purpose; All My Days I'll Be Sharing;

The Hope of Your Gospel; And Those Hearts You're Repairing.
We Look For That day; The Day You're Returning;
We Will Go To That City; And Our Hearts Will Be Yearning.
Precious Jesus We Love You; And We wait For That Hour;
That You'll Come In The Clouds; With Your Love And Great Power.

THE LORD SAW MY FACE

The Lord Spoke To Me, And He Said Not To Worry;
He Is Coming Real Soon; As This World's In A Hurry.
The Lord Saw My Face, And He Heard My Concerns,
And He Saw I Had Doubts; And The Pain That It Earns.
Forgive Me Lord Jesus; I Have Questions Inside Me;
I Must Put Those Aside; For You'll Be There To Guide Me.
You've Had Problems Inside You; And I've Sent You My Spirit;

He Will Give You My Peace; And His Voice You Shall Hear It.

You Have Been In A Battle; And Have Fought For My Glory;

You Will Go On To Victory; As I Share My Own Story.

I AM The Messiah; The Lord Of Creation;

The King Of All Heaven; The Lord Of Salvation.

I AM Touching You Now; As I Sharpen Your Vision;

You Will Rise Soon To Meet Me; I Have Made That Decision.

You Must Trust Me; I Love You; And Obey My Commands;

I AM Lord Of My Kingdom; And For Jesus You'll Stand.

I Give You My Word; It's My Voice That Is Speaking;

You Must Give Me All Glory; For My Will You Are Seeking.

I Praise You Lord Jesus; You Are Lord Of My Life;

You're The Bread That's Been Given; Who Has Freed Us From Strife.

You Raised Me From Death; And Gave Birth To My Soul;

I Am Newly Created; And Am Yours to Control.

WE WERE ALL JUST LOST PILGRIMS

I Give Praise To The Lord; For This Day I Am Living;
For The Blessings You Give Us; For This day Of Thanksgiving.
We Now Live In A Nation; Where Our God Can Be Praised;
Where Our Lord Can Be Honored, And Both Hands Can Be Raised.
We Were All Just Lost Pilgrims; Living In A Strange Land;
We Were Led To The Light, As We Dwelt In God's Plan.
We've Been Chosen Of God; From A World Of Great Blindness;
To Live In His World; With His Love And Such Kindness.
As The Sacrificed Lamb; Jesus Went To The Cross,
And He Shed His Own Blood; When All Hope Had Been Lost.
Jesus Is Christ; Our Messiah And Savior;
We've Been Saved By His Grace; When He Gave Us His Favor.
We Must Come To The Lord; To Seek His Permission,
And To Come To His Throne; He Must Make That Decision.
I Am Seeking You Lord, As I Kneel By Your Throne;
I Will Ask That You Hear Me; As You Come For Your Own.
My Lord I Do Thank You; As I Hear Your Word Spoken;
I'm Now Healed And Alive; And My Past Has Been Broken.

I Give Thanks For This Day, And For Love That You Gave Me;
One Day At Your Feet; On That Day That You Saved Me.

I Now Look At The Clouds; To That Place In The East;
That Will Come With Our Savior; For The Greatest To Least.

I Thank You Dear Jesus; You're Returning To Capture;
The Chosen Of Family; As You Take Us In Rapture.

I HAD WALKED IN SUCH DARKNESS

The Lord Is *My Master*; For He Purchased My Freedom;
He Has Blessed My Whole Life; And I Know That I Need Him.
I Walked On Hot Coals, And My Life Was In Shambles;
I Had Lost All My Purpose; Like A Poor Man That Gambles.
I Was Looking For Meaning; But I Lived In Confusion,
And I Lived With No Peace; In My World Of Illusion.

The Lord Healed My Life, And My Heart That Was Broken,
And He Healed Me Inside; By The Word He Had Spoken.
I Had Walked In Such Darkness, And He Shined Forth His Light,
And He Came To My Heart; When His Timing Was Right.
You Came To My Door, And You Started Your Knocking,
And You Spoke To My Spirit; As I Heard Your Voice talking.
I Prayed For Your Help; As My Life Was In Pieces,
And You Came To My Rescue, As Your Spirit Releases.
I Was Lonely And Sad, And You Touched My Own Spirit,
And You Spoke To My Heart, And Your Voice I Could Hear It.
I Love You Lord Jesus, And In You I Am Trusting;
I Now Feel You Inside, And My Heart You're Adjusting.
I Am Newly Reborn, And My Life You Have Chosen;
You Have Restored My Own Soul, And My Past You Have Frozen.

PLEASE TOUCH US DEAR JESUS

God Sent Us His Mercy, And His Grace Deep Within Us,
And He Showed Us His Love; From His Father To Win Us.
We Were Walking Alone, And Our Sins Then Had Bound Us,
And He Searched For Lost Souls; By His Grace He Then Found Us.
We Were All But Lost Prisoners; Who Were Wrapped Up In Chains,
And He Bought Our Own Freedom; We Were Healed From Our Pains.
You Gave Us Our Lives; As Our Lord And Creator,
And You've Touched Us Inside; There Is No One Who's Greater.
You Spoke To Our Hearts, And You've Chosen To Love Us,
And You Chose Us For Service; From Your Throne Far Above Us.
Please Touch Us Dear Jesus; May We Rest In Your Glory;
May You Fill Us With Love; As You Continue Your Story.
Your Love Has No Limits; And You Gave Us Compassion;
You Have Clothed Us With Grace, And Our Hearts You Have Fashioned.
We Thank You For Mercy; And The Love That You Gave Us,
And For Healing Our Souls; On The Day That You Saved Us.
Please Wash Us In Blood; And Please Clothe Us In White;
Let Your Spirit Immerse Us; Let Us Walk In Your Light.

Please Touch Us Dear Lord; May Your Hand Be Upon Us;
Let Us Grow Now Before You; May Your Love Now Consume Us.

YOU SHOWED ME YOUR LOVE

I Knelt On My Knees, When You Hung On The Cross,
And I Reached Out To Touch You; When My Hope Had Been Lost.
You Suffered And Died; As Your Blood Had Been Shed,
And You Gave Me My Life; When My Soul Had Been Dead.
You Showed Me Your Love, And Gave Birth To My Spirit,
And You Gave Me A Voice; And My Praises You'll Hear It.
I Was Lost And You Found Me; I Was Blind Now I See;
I Was Deep In The Mire; And I Rose To Be Free.
You Gave Me A Name, And A Life Of Compassion,

And You Gave Me New Life, And A Heart That You've Fashioned.
I Praise You Lord Jesus; I've Been Sent Down Your Path;
You Have Saved Me From Death; I Was Saved From Your Wrath.
I Am Now A New Creature; Who's Been Saved For This Hour,
And You Chose Me For Service; By Your Love And Great Power.
I Thank You For Grace; And The Love That You Gave Me,
And A Life Of New Purpose; On The Day Jesus Saved Me.
You Have Changed My Direction, And My Course Has Been Set;
I've Been Sent To Your Kingdom; And Your Love I Will Get.
Your Coming Is Soon, And The Clouds Will Then Take You,
And We'll Go To That City; And The King God Will Make You.
You Are The Lord; Our Own God And Messiah;
You're The Lord God Of Heaven; We Now Lift Your Name Higher.

I HAD LOST MY OWN WAY

I Remember The Day; That My Heart Had Been Broken;
I Was Comforted Then; By The Words That You'd Spoken.

The Lord Jesus Came To Me; I Was Lonely And Scared;
I Was Given Assurance; By Someone Who Cared.
I Had Never Known Love; In The Way It Was Given,
And He Showed Me Compassion; In Those Days I Was Living.
I Had Walked In The Darkness, And He Shined Forth His Light,
And He Sent Forth His Spirit, And His Timing Was Right.
He Forgave Me My Sin, And He Healed Me Inside;
I Had Lost My Own Way; And He's Become My Own Guide.
He Showed Me His Mercy; When Lost And Confused,
And He Gave Me My Life; So That I Could Be Used.
You Taught Me To Love, And Compassion You Gave Me;
I've Become A New Person; Since The Day That You Saved Me.
Lord Jesus I Praise You; For My Life You Have Changed;
For The Peace That You Gave Me; My Whole Life's Been Arranged,
I Love You Sweet Jesus; You're My Lord And My Savior
You Have Cleansed Me Inside; And Have Given Me Favor.
I Trust You Lord Jesus; For You've Changed My Direction;
You're The Strength Of My Life, And You Gave Me Protection.
You Have Made Me Your Servant; I've Been Healed By Your Grace;
You Will Be With Me Always; As I Look At Your Face.

PLEASE SEND US YOUR SPIRIT

I Called Out To Jesus; For His Peace I'm Requesting;
I Have Struggled Inside; May He Touch As I'm Resting.
There Have Been Many Hours; That Your Servant's Been Writing;
I Give Thanks For Your Voice; For Your Word Is Exciting.
Lord, You Gave Me My Strength; To See As I'm Walking;
To See Your Word Heal; On The Street While You're Talking.
I Trust You Lord Jesus; As I Give You Attention;
I Will Listen Real Closely; To Those Things You Will Mention.
Glory To God; At The Mention Of Jesus;
We Must Serve Him On Earth, And Do All That He Pleases.
We Thank You For Life, And The Peace That You've Given,
And For Meeting Our Needs; Every Day That We're Living.

Please Send Us Your Spirit; That We Daily Might Reach,
And Please Give Us Your Word; So To People We'll Preach.
The Signs Are Around Us; Let Us Share With The Nations;
The Acts Of Your Love, And Your Gift Of Salvation.
May We Look At The Sky; As We See The White Clouds;
You'll Be Coming So Soon; As You Appear Before Crowds.
You Are Jesus The Christ; Our Lord And Our Savior;
You Came From Your Throne; With Unmerited Favor
Praise You Lord Jesus; You Are Lord And Messiah;
You Are Our King; As We Lift Your Name Higher.

I HAVE PUT ON MY ARMOR

I Have Been In A Battle, And The Fires Are Raging;
But The Skirmish Was Real; It Was Fierce When Engaging.
I Have Put On My Armor; That The Lord Has Provided;
They Are Weapons Of Warfare; And God's Spirit Has Guided.
It Is No Great Surprise; That This War Showed Its Face;
It Is Happening Now; All At Once At Great Pace.
The Lord Sees The Cause; And Has Pledged To His Army;
He's The Lord Of His Children; And No Weapon Shall Harm Me.
Jesus is Lord; Our Commander And Chief;
He Is Master And Savior; We Must Share Our Belief.
Lord Jesus We Love You; And We Give Exaltion;
You Are God And Creator; The King Of Salvation.
We Are In The Last Hour; With The Battles Increasing;
As The Lord Leads His Army; And His Power's Releasing.
Please Touch Us Dear Jesus; Send Your Spirit Upon Us;

Please Fill Our Own Lives;; For That Time Is Now On Us.
Please Send Us Your Peace; For Our Stress Is Increasing;,
And Fill Us With Love, As Your Spirit's Releasing .
We Trust You Lord Jesus; You Are Lord Of Your Nation;
You Are Lord Of Our Lives; In This Time Of Salvation.

OUR LORD CAME TO SINNERS

The Birth Of Our Savior; Is The One He's Now Sharing
With The Souls Of Lost People; Who Have Hearts God's Preparing.
The Lord Sees Our Pain, And Our Souls Are Deserting;
He Has Come From His Throne; To Give Life To Those Hurting.
Our Lord Came To Sinners; Who Were Lost In Confusion;
He Was Born And He Rescues; Who've Been Duped In Delusion.
Let Us Sing Praise To The Lord; He Was Born To Redeem Us;

He Would Go To A Cross; Both To Suffer And Save Us.
We Would Drown In Our Sins; And Our Lord Came To Save Us;
We Were Trusting In Man; To Our Lives You Forgave Us.
We Praise You Sweet Jesus; You Are Lord And Our Savior;
We Were Hopelessly Lost, And In You Was Found Favor.
We Look For The day; For God's Plan To Receive Us;
We Must Call On His Name, And Our Lord Will Believe Us.
Lord We Have Faltered, And We Ask That You Love Us,
And We Ask For Your Mercy; That Is So Far Above Us.
Lord Jesus We Pray For Your Love That has Found Us;
Please Wash All Our Sins; By Your Blood That Unbound Us.
We've Arrived In Great Lateness; As This Hour Is Closing;
May We Run To Our Lord; For Our Sins Need Exposing.
We Thank You Lord Jesus; You Are Here For Our Healing;
You Will Enter Men's Hearts; It's With Jesus You're Dealing.

WE WERE BORN OF THIS WORLD

I'm Relating God's Word; It May Sound Like I'm Preaching;
I Have Shared With God's People; And To Sinners I'm Reaching.
Jesus Died For Our Sins, And He Paid A Huge Price;
That We Could Be Freed; From Our Guilt Not So Nice.
We Were Lost In Great Darkness, And We Walked On Our Own;
But Because Of Our Crimes; Jesus Left His Own Throne.
We Were Born Of This World; And We Lived In Our Pain;
Jesus Taught Us To Live; There Was So Much To Gain.
You Have Given Us Life, And Forgave What We've Done,
And You Gave Us Our Joy; We Are Sure That You've Won.
We Were Pulled From The Darkness, And Now Dwell In Your Light;
We Were Saved For Your Glory; When Your Timing Was Right.
By Your Mercy You Freed Us; Were Bound Up In Chains
We're Reserved In God's Heaven; That Is All That Remains.
Let Us Take By The Hand; The Souls Of The Lost;
For The Lord Bought Redemption; At The Ultimate Cost.
Thank You Lord Jesus; For The Life That You Gave Us;
For The Gift of Redemption; On The day That You Saved Us.
I Must Tell That I Love You; And I've Come On This Day;

Let Us Celebrate Life; As You Worship And Pray.

LET US TALK ABOUT JESUS

Let Us Talk About Jesus; As He Came To My Heart;
He's The Lord Of My Life; From The First Day It Starts.
I Was Lonely Inside, And I Started My Praying;
I Had Many Doubts; With Weariness Staying.
I Went To God's Word, And I Spent My Time Reading,
And I Felt His Warm Love; That My Life Was Now Needing.
I Had Come To The End; In My Life Was Deep Hurting,
And I Asked For Forgiveness; For The Paid I Was Earning.
You Went To A Cross; Where You Suffered And Died,
And You Submitted Your Spirit; All Alone Crucified.
My Father Forgive Them; They Know Not What They Do

And He Gave Up His Spirit; For His Life Was Now Through.
He Was Pierced For Transgressions, And His Blood Was Then Shed;
He Was Placed In A Tomb, And He Rose From The Dead.
God's Perfect Lamb; Had Been Placed On The Altar;
For Our Sins That Existed; For Our Lives That Had Faltered.
I Trust In You Jesus; You Have Healed Me Inside;
You Have Healed Me Completely; And My Life You Now Guide.
I Am Now In Your School; By Your Spirit You're Teaching;
The Words From Your Gospel; To The Souls You Are Reaching.
Thank You Lord Jesus; You're Alive In This Hour;
You'll Be Coming Real Soon; In Your Glory And Power.

YOU CAME TO MY DOOR

I Was Lost And Alone; By Your Mercy You Save Me,
And You Built Me Inside; By The Love That You Gave Me.

I Was Walking In Darkness, And You Light Shined Upon Me,
And My Heart You Have Touched; And Your Message Went
Through Me.

Lord Give Me Your Strength; For My Body Is Weak;
Please Give Me Your Comfort, As I Hear Your Voice Speak.

You Came To My Door, And You Knocked On It Gently,
And You Spoke To My Heart, And I Listened Intently.

Your Spirit Was Kind, And He Took His Time Searching,
And He Flew As The Eagle; From The Heavens He's Perching.

Please Stay With Me Lord; In Your Presence I'm Praying,
And Please Give Me Your Peace; As My Problems Were Staying.

Lord Jesus I Praise You; You've Redeemed Me From Sin,
And You've Touched Me And Healed Me; Let My New Life Begin.

Please Comfort Me Lord; As I Live To Awaken;
Let Me Rise From My Past; As This World Is Now Shaken.

Please Be With Me Now; As You Tell Us Your Story;
About The Lamb Of Our God; And In All Of His Glory.

You're The King Of All Kings; The Lamb of Our God;
You Will Be With us Always, As Our Feet Touch The Sod.

You Are Coming Real Soon; As This World Shall Be Ending;
Please Show Me Your Will; For In Heaven I'm Spending.

Glory To God; At The Mention Of Jesus;

I've Been Saved For His Glory, And Will Do What He Pleases.

I'VE BEEN SENT TO THE FRONT

I'm A Soldier Of Faith, And Must Watch My Profession;

I Will Share With All Sinners, As May Make Their Confession.

There's A War In The Heavens,, And The Sound of Great Battle

I Hear Now A Thunder; As The Sabers Now Rattle.

There Are Many That Hurt, And Are Racked Up With Pain;

They Are Wounded In Action; With Their Ground To Attain.

You're Commander In Chief; For The Whole Of God's Army;

And I'm Dressed In Full Armor, And No Weapon Shall Harm Me.

I've Been Sent To The Front; And God's Word I Shall Carry;

The Fruit Of His Spirit; Till The End I Shall Tarry.

Please Strengthen Me Lord, And Renew Me In Spirit;

Let Me Share Now Your Message; That All Nations Will Hear It.

You Have Given Your Word; And You Gave Me A Voice

I Must Share What You've Given; I Have Made It My Choice

I Will Praise You King Jesus; You Are Lord And Messiah;

I Will Glorify God; As I Lift Your Name Higher.

Please Open Men's Eyes; From A World Filled With Blindness;

And Please Show Them Your Son; With His Love And Great Kindness.

I Love You My Lord, And I Wait For Your Entrance;

May You Love On Each Sinner; As You Cancel Their Sentence.

Glory To God; For The Love Of Our Savior;

You Died For The Lost; And You Gave Them Your Favor.

I WAS BLIND AND YOU HEALED ME

If I'm Hungry For Food; To The Lake I'll Go Fishing;

But I'm Sent To The Lost; For The Rest Of My Mission.

God Spoke To My Spirit, And Placed Words ON My Tongue,
And He Gave Men A Choice; For The Old And The Young.
Man Had Gone Down A Path; That Would Lead To Destruction,
And God's Spirit Did Choose; As We Follow Instruction.
We Had In Us Questions; And God Gave Us His Answers,
And He Placed Faith Within Us, As He Crushes Sin Cancer.
Dear Lord I Now Pray; For The Peace Of Your Spirit;
Give Me Words Of New Life; All My Days So I'll Hear It.
Please Give Me Your Love; By Your Hand Now Please Guide Me,
And Renew Me With Strength; Place Your Spirit Inside me.
I Will Walk With You Lord; I Am Holding Your Hand;
Please Show me The Way; On This Rock I Shall Stand.
I Love You My Lord; For You Gave Me My Life;
You Did Choose Me To Serve; And Removed All My Strife.
I Was Blind And You Healed Me; And You Gave Me My Vision,
And You Chose Me To Share; For You Made That Decision.
We Are In The Last Hours; May We Count Down The Seconds;
God Will Open Blind Eyes; As His Spirit Now Beckons.
I Sing Praise To You Lord; You're The God Of This Earth;
Who Has Saved Us From Judgement; When You Gave Us New Birth.

I NOW WALK WITH MY SAVIOR

I Am Thankful For Mercy, And The Peace That You Gave Me;
For Your Love And Compassion ; On The Day That You Saved Me.

I Came From Great Darkness, And Was Searching For Light;
And Jesus Came To My Heart, And He Made My Life Bright.

I Was Lost And Confused, And My Spirit Was Bruising;

I Was Saved By Your Mercy; When My Soul Had Been Losing.

I Had Sadness And Grief; And No Joy In My Life;

I Was Hopeless And Bitter, And Consumed With Great Strife.

I Am Thankful Lord Jesus; That You Healed Me Of Blindness;

I Surrendered My Doom; For A World Of Such Kindness.

I Was Poor In My Soul; And My Soul You Have Gifted;

I Had Troubles Within Me, And My Spirit You Lifted.

I Now Walk With My Savior; I Am Led By His Hand;

I Have Joy In My Heart; He's The God Of This Land.
I Thank You Lord Jesus; For Saving My Soul;
You Have Saved Me From Judgement; I Was Out of Control.
You Are My Shepherd; Ever Watching Your Sheep;
You Have Changed My Whole Life; And Your Peace Shall I Keep.
You Are Coming To Take Me; Unto Heaven I'll Live;
I Give Thanks For New Life; A Great Gift That You Give.

HIS TRUTH IS ILLUMINATED

I'm A Servant Of Jesus; He Has Plans Now To Use Me,
And I'll Share What he Gives; As Some Lost Will Refuse Me.
His Word Conquers Hate, And It Share With Men's Hearts;
It Will Open Men's Eyes From The Moment It Starts.

His Truth Is Illumined, And It Turns On The Light ;
And It Calls Off The Evil; When God's Timing is Right.
God Is Searching Men's Hearts, And He Looks For Those Praying,
And he Calls On His Spirit; For His Answer Is Staying.
The Lord Jesus Is Love, And He Speaks To Men's Spirits,
And If You Listen Real Closely; In One Moment You'll Hear it.
God Has Given His Word, And He Speaks To Our Lives,
And He Gives Us His Truth; To Do More Than Survive.
God has Chosen Our Lives; To Share Love With The Nations;
To Share Love With The People; As He Gives Them Salvation.
There Are Many Who Hurt; With Great Burdens Inside Them;
If They Call Out To Jesus; He Will Heal And Will Guide Them.
You Suffered And Died; For The Cost of Our Sins,
And You Opened Your Door; To Let New Life Begin.
Lord Jesus I Love You; You Have Given Me Life;
You Have Taken My Shackles, And You've Freed Me From Strife.
We Shall Soon Hear The Trumpet; With The Angels And Singing,
And We'll Worship Our Jesus; With Praise We'll Be Bringing.

I WAS ONCE A LONE FAILURE

I Am Working For Jesus, And I Work As A Scribe;

I Was Once A Lone Failure; I'm Not Dead But Alive.

My Parent Was Praying, And I Had Little Vision,

And She Got God's Attention, And He Made His Decision.

I Had Made A Bad Start, And Little Progress Was Made;

I Had Made Up My Mind; To Control This Charade.

As A Stubborn Adult; I Had Problems In Life;

I Was Lonely And Sad; In A World Of Great Strife.

I Had Moved Far Away; And To God I Was Shunning;

I Was Running From God; In My Heart I Was Running.
I Was Hiding From Jesus; In A World Filled With Grief,
And One Day I Had Prayed; To Increase By Belief.
I Had Met Many People; A Few People Were Saved;
They Were Praying To Jesus; To Bring Life To My Grave.
Entombed In My Soul; I Was Hopelessly Lost;
Jesus Died For My Sins; At A Very Great Cost.
I Started To Church; And God's Spirit Was There,
And One Day I Met Jesus, And His Blood He Did Share.
He Gave Up His Life; With Large Nails In His Hands,
And I Asked For Salvation; And My Life He'd Command.
I Knelt At His Feet, And I Offered My Prayers;
Jesus Entered My Life; In Great Of Repairs.
Praise You Lord Jesus; I Am Finally Saved;
You Have Brought Me To Life; With Your Blood That You Gave.
