I also love to read books on Bible prophecy and and devotionals. My favorite Devotional is called **Reaching Toward the Heights** by Richard Wurmbrand who was a Romanian Jewish Christian Pastor. I love to study and watch classical films. I have a saying '**God created the stars at night to be like a compass to guide our way along the journey of life.**' My favorite Christmas song is '**Do You Hear What I Hear.**' I love all kinds kinds of music. I believe in living each day to the fullest.

**Israel, Oh, Israel**

Jesus is saying to Israel  
in these last days.

I will draw you in cords  
of love.

You will once again be  
a blessing to the nations  
all around you.

I will pour out my spirit  
of supplication upon  
the children and youth  
of Israel.

I'm calling you back to  
your special place.

You are the Apple of God's  
Eye' and you shall be  
given the wings of an Eagle  
to the mountains of Petra  
where the remnant shall  
wait for me as I come  
in the clouds of Glory  
with all my beloved Church.

I will set my foot on the Mount  
of Olives and I shall be your King  
for you are my brothers oh, Israel.

### **JERUSALEM AT NIGHT**

The city of Jerusalem while asleep  
at night is waiting for her Messiah  
in the heartbeat of the soul.

The Golden City is lighted at night  
as a reminder of the light of God's  
enduring love for his chosen ones.

Sleep in peace, oh my beloved City  
and Awaken to your Messiah when  
He returns to you in great glory.

### **The Jews**

The Jewish people have given the world  
so much in areas such as the theatre,  
film and scientific thought.

Some of the Jews were scientist Albert Einstein,  
Actor Paul Newman and others who played

a great part upon history's page.

The Jews are a people who build upon  
their dreams to give the world a greater sense  
of peace and prosperity.

The world is blessed by the Jews.

### **The Last Days**

In the last days God will place  
his mark upon the foreheads of  
the 144,000 Jewish tribes.

They will give out the gospel  
to a dying world in the last days.

Many will come to know the Lord  
as a result of their testimony.

They are being prepared right now.  
to shine their light on a darkened world.

### **The Lamb of God**

The Lamb of God is the Jewish Messiah  
who takes away the sins of the world.

He is gentle in spirit and mighty in deeds

He came to His people in the flesh.

He healed by the speaking of His Word  
and the touch of his garment.

He is the Jewish Messiah of the Ages.

### **He Paid The Price**

The Messiah of Israel paid the price  
for Jew and Greek.

He forgave the man on the Cross  
next to him and His blood drips  
down to touch the hands of a Roman Soldier  
who stated 'This surely was the son of God.'  
He gave His body as bread so that we would  
not go spiritually hungry.

He is the Creator of the stars at night  
to light our path in the dark.

He is an awesome God.

### **The Apostle John**

The Apostle John was given the glorious vision  
of seeing the Lord in His majesty.

The Messiah's hair is as white as wool  
and soft as the snow.

His eyes are a flaming glow that pierces  
the soul of Man.

His mouth is a sharp-edged sword,  
that speaks the Word of God.

His is majesty in the highest.

### The Crown Of Thorns

The Roman soldier placed  
the thorns upon the tender head  
of our Savior and Lord.

Laughing and mocking not knowing  
the soldiers did not see in thier blindness  
that this Lamb of God came to die  
for them and set them free.

Each thorn was a reminder of  
the thorns of life which come our  
way and are hard to bear.

But placed on the Savior head,  
he bore the thorns for us,  
so we could bear what comes

our way in life.

The Apostle Paul had a thorn in  
the flesh to keep him from  
becoming prideful.

The Roman soldier that day  
who placed the thorns on  
our Savior's head was saying  
without realizing it,

"Lord please bear this thorn for me  
that I may find grace in your death."

Praise God all of those who bear  
the thorns of life.
