## Inside

(the fear of losing)  
Nothing about losing  
Is artificial\_\_\_\_  
It's so very real,  
Be it love or war,  
There will be blood  
On the ground  
and pooling  
In the pit of the stomach.  
No one comes away  
With all their pride in tact\_\_\_\_  
Matter of fact  
Losing at anything,  
Even watching over  
An old friend  
Should not be confusing,

First and foremost\_\_\_\_  
God watches over Israel.  
If you are Israel's friend,  
Don't act as an enemy,  
Show loving support  
So God may bless you!

### **The Fading Shadow**

Of an American Prez.\_\_\_\_  
Fading,  
Whose only concern now....  
Is pulling his bent legacy  
Through a spaghetti press  
Less the heat of time  
Fixes tomorrow  
In a likeness  
He will despise.

**Bombing Iran's Bomb**

Satan sits on his throne  
In downtown Tehran  
Hoping to one day  
Rule the world from there,  
But the 12<sup>th</sup> Mahdi's coming  
Is delayed.  
Cooperation  
Is not Satan's  
Or Iran's  
Strong suit.  
Do we dare\_\_\_\_  
Do we dare not?  
Or do we sit and wait  
Till two-oh-one-six\_\_\_\_  
Do us part.

**Born Again?**

(a reminder)

Accept Christ

Into

Your heart and strife!  
There is no other road  
To eternal life.  
It starts  
And ends  
With your Creator  
Who made  
Heaven and Earth  
And died  
On a cruel cross  
So you  
And all others  
May choose  
To avoid  
The horrors of Hell!

### **Dying**

(is not an easy job)

It is fraught with pain

And time

And many attempts  
Not  
To get the job done\_\_\_\_

**Winning  
(cannot be done alone)**

God must measure  
The depth  
Breadth  
And vision  
Of the heart\_\_\_\_  
For therein lies  
A person  
He can use  
For the purposes  
Of Heaven\_\_\_\_  
And earth.

**Liz**

The Lady smiles  
With graciousness\_\_\_\_  
Golden tresses  
Frame the beauty  
Of both\_\_\_\_  
God's handiwork\_\_\_\_

Amazing!

**Climate Change  
(and God)**

They go hand in hand\_\_\_\_  
Only simpletons believe  
Climate change  
Happens by accident.  
God  
Created the universe  
And humanity\_\_\_\_

Can he not make the sea  
Rise a few inches or more  
Without earth  
Falling apart?  
Satan is delighted  
When the people  
Trust themselves\_\_\_\_  
Instead of God!

**Trump**  
(for president)  
Of the world\_\_\_\_  
In a loose sort of way.  
Parse the man\_\_\_\_  
And you have the egotist  
Seeking stardom,  
Unprepared  
For the incoming  
Curtain of flack\_\_\_\_  
A fact

Rendering him  
Helpless  
In the eyes of those  
Who purchased him  
As their man  
Without sufficient study  
Of his character  
and spirituality\_\_\_\_

### **The Mattering of it All**

Black lives matter\_\_\_\_  
No more than white  
Or yellow  
Or tanned  
Or red  
Or any color combination.  
The mattering is\_\_\_\_  
The heart and soul and blood  
We each share  
In this body, corporate.

God gave each  
And every heart\_\_\_\_,  
Life to live,  
Beats to race  
When we see  
And embrace  
The loves  
Of our life\_\_\_\_.

**-Contrasting Carly-**

(to the pack)  
Where others tread  
She seldom follows\_\_\_\_  
Choosing rather  
The wisdom of Her heart\_\_\_\_  
With  
Patience  
Kindness  
And a cleverness  
Not given to many\_\_\_\_

## **The Peace Knell**

(or stones)

Rear its head.

Before light

The dawn

Breaks apart morning

And lays bare

The silent gathering

Of day.

Woe to those

Who refuse peace

And say\_\_\_\_

Let there be death

Over the land\_\_\_\_

Instead of life.

For unto you

Death will come,

And life

Will pick your bones.

## **Expanding Settlements**

(creates: Love and life)

Love blossoms

In desert climes

And the moon\_\_\_\_\_

Rises and sets

In the hearts

Of true lovers

Of Israel!

## **A Simple Message in Verse**

(for the world)

The real terror

Of closing your eyes

In death\_\_\_\_\_

Is opening your eyes

In death\_\_\_\_\_

And realizing  
Christianity was right  
And every other religion  
Was not!  
Woe to those  
Who murder innocents\_\_\_\_  
While mocking  
Their God  
Who delivers  
The innocent  
From hell and damnation\_\_\_\_!

**They Die in Vain**  
**(these haters of Israel)**  
The angels work overtime  
In the killing fields.  
All the murderers of Palestine  
Seek to destroy\_\_\_\_  
The indestructible\_\_\_\_  
Instead,

They condemn themselves,  
    Unknowingly,  
    To an eternity  
    Of damnation  
    For the hatred  
    Of their hearts.

**The Crime of Lies\_\_\_\_\_**

    Spreads its tentacles  
    Through Islam\_\_\_\_\_  
    Where truth  
    Has no friends  
    And the more delicate  
    The lie  
    The more appreciation  
    It receives\_\_\_\_\_  
    On the streets  
    Of death and deception  
In downtown 'Martyrsville'.

**The Man Putin!**  
**(the crime murder?)**

Is he guilty?

Ask Mrs Litvinenko.

Ask the Russian Jews.

They know murder!

They know Putin\_\_\_\_!

Leave them be!

Eventually

Putin will self-destruct.

Sooner?than later\_\_\_\_!

**Chasing false gods**

In the minds of men

Where dwell

The best and worst

Of them\_\_\_\_

There are those

Who worship men  
Who are demons  
And devils  
In the guise of gods.  
Take care  
You are not one of those!  
For if you are,  
The best of intentions,  
Often lay waste  
To your soul!

### **Earthday**

Established by puny man  
Not God\_\_\_\_!  
Scripture tells  
Of earth's ending\_\_\_\_,  
Not by global warming  
But man's  
Destructive behavior\_\_\_\_,  
The warring\_\_\_\_

Of the middle east  
Against God's creation.

Heaven help us\_\_\_\_

Please!

**Sir Trump**\_\_\_\_

Whistling in the darkness.

He gave you

Breath and life\_\_\_\_

A family,

Wealth and prestige,

Health\_\_\_\_

In your old age. . . . .

And what\_\_\_\_?

Have you given him\_\_\_\_?

Anything besides grief?

All he wants

Is your heart!

He owns

All of time and eternity,

But not you\_\_\_\_!  
The question is\_\_\_\_?  
Where will you/  
Spend eternity?  
Jfrancis

### **Iran!**

The world's greatest threat!  
Iran's greatest threat\_\_\_\_  
The God of Israel!\_\_\_\_  
God's desire  
Above all things\_\_\_\_  
That we may come to him  
For eternal life  
Or we come not\_\_\_\_  
At all\_\_\_\_  
Except  
For judgement,  
Wherein  
We receive  
Eternal death  
For our sins

And rejecting Christ

In our hearts

At the cross\_\_\_\_\_

### **This is Islam**

Every Muslim

Hopes to die a martyr\_\_\_\_\_

Little does he know

Upon entering death

His soul

Is transported

Directly to Hell,

The hell created

By the only God

Of this universe,

The God of Abraham,

Issac and Jacob\_\_\_\_\_ Martyr

You have been sold

A bill of goods\_\_\_\_\_

It's not too late though\_\_\_\_\_

To accept Christ

Into your heart\_\_\_\_\_

Failing that  
You will spend eternity  
Among  
Fire and Brimstone!  
Jfrancis\*6.19.2016

## **My Condolences to Islam**

Time hangs  
Between life and death\_\_\_\_.  
For most of this world  
Life is eternal\_\_\_\_  
But death also\_\_\_\_  
Only the eternal part  
Is far more "eternal"  
For those  
Rejecting Christ  
And His Cross.  
Jfrancis

## **God's Hand**

God's Hand  
Binds Heaven\_\_\_\_\_

And Earth  
While Eternity  
Pays little attention  
To the comings  
And goings  
Of Men\_\_\_\_\_  
Except those  
Who strive  
To do His will.

Jfrancis

### **Believe God ?**

(a word to Muslims)

Making you believe me  
Is not the purpose here!  
That purpose will be achieved  
When you feel the warmth  
Of fire and brimstone  
The day you realize  
Your god has deceived you\_\_\_\_\_,  
Big Time!

Jfrancis

11.13.2016

### **Words and Wars**

(one often beget the other)

Speak truth to power

Then you need not worry\_\_\_\_\_

For God is mighty.

The Angels of Heaven

Along with the Saints

Will rise to His command

And slay all who join

The armies of the East

In their final bid

To conquer Israel.

Jfrancis

12.21.2016

### **Obama's Magnificent 14-0 Betrayal**

Lest he forget\_\_\_\_\_

Israel is God's possession.

His wrath has destroyed many.

The world and I

Wait for His reply!

There is only one place\_\_\_\_\_

(the Embassy belongs)

Jerusalem!

It will be moved there\_\_\_\_\_

It is God's will and favor,

As well as every Jew worldwide.

To quote a famous Arab line,

"from the river to the sea"

The Embassy must be free.

Surprise God\_\_\_\_\_

And get it done

President Trump!

Valen~Time

(is not a day)

A heart\_\_\_\_\_

Wether yours

Or another

Wraps itself

Around

A future

Of heartbeats  
That keep you awake  
While Hers  
Beats in harmony  
With the softness  
Of Her breathing.

God is with Us!

(each day)

The dews of Heaven

Weep for us,

Watering the sadness

Of our endtime\_\_\_\_\_,

Knowing

God our redeemer

Shields our hearts

From the massive

Spin of life

Where disasters of choice

Often

Inters us

Before our time!

## **Why the World Needs God!**

Think about it\_ \_ \_ \_!

Falling into a world

Of fire and brimstone,

Having no means of escape

Forever and forever and forever,

Endless torment\_\_\_\_\_!

There is a way out\_\_\_\_\_!

But not after the fall\_\_\_\_\_,

Before the fall!

God's plan is flawless\_\_\_\_\_

And simple\_\_\_\_\_

So simple

Any human can follow.

You don't come to Christ

By accident, but desire

And the realization

Of your lost condition.

Standing, kneeling,

Lying in bed,

Christ will meet you\_\_\_\_\_

Where you are.

Ask Him  
Into your heart\_\_\_\_  
He will do the rest!  
This light from above!

### **Aging**

Getting old is not fun!  
But mandated by God,  
The price He extracts\_\_\_\_  
For the Joys of Youth!  
And middle age,  
As we see them\_\_\_\_  
Blossom.  
His Love for us  
Can only be explained  
By those who come  
To Christ\_\_\_\_  
Before the twilight  
Gathers us to Him  
And carries us away,  
Home.  
Jfrancis

## **Messaging the Future**

Messaging the Future

(the end is near)

Not for Christians\_\_\_\_\_

Not even the lost!

Christians\_\_\_\_\_

Will have a home.

The lost\_\_\_\_\_

They have a destination

For eternity\_\_\_\_\_

A place of eternal doom

Among fire and brimstone.

God has given warnings

From creation\_\_\_\_\_

Until now.

God has warned the lost\_\_\_\_\_

And most have ignored it

And most will continue\_\_\_\_\_

In ignorance

To the end\_\_\_\_\_

Until !!!

It is too late.

### **Who is Debra Dickson?**

For some time now\_\_\_\_  
I have wondered  
Who you were  
And where you were\_\_\_\_.  
A real person?  
With real blood  
Who wrote poetry  
That shaped  
The Universe\_\_\_\_  
And lit the stars  
At nite  
So all would know\_\_\_\_  
That all was well  
And we need not\_\_\_\_  
Worry or fear\_\_\_\_\_.

Jfrancis

## **The Warmth**

(of a person you Love)

Speaks to your heart

As no other can\_\_\_\_\_

Perchance

He

Or She

Has passed on

And no longer captures

Any part of you\_\_\_\_\_

Still

Love never dies,

Such Love\_\_\_\_\_

Created by God

Dwells forever

Where He places it.
